

WEMSA™ NOV 2019 EMS CONFERENCE & EXPO

SPONSORSHIP OPPORTUNITIES

WEMSA™ is proud to put on another amazing EMS Conference & Expo this year. With a new venue that offers more amenities for attendees, sponsors, and exhibitors. We are excited to welcome you to our annual event.

This year marks an important year for changes for our association. This is the first year WEMSA™ is moving our annual conference out of the Milwaukee area. A big step to provide a centralized location for all EMS professionals within the state. Big moves equal big changes. You will find our sponsorships have changed heavily focusing on engagement activities.
